ADRIENNE CAREERS

ABOUT

Adrienne is the founder of Adrienne Careers, helping professionals navigate career transitions with clarity, confidence, and strategy. With experience across arts education, marketing, and finance, she empowers clients — including fellow alumni from Syracuse University as well as various global clients — to optimize résumés, build personal brands, and pivot into roles aligned with their aspirations.

Adrienne emphasizes agility, alignment, and tech fluency, combining practical strategy with personalized support. She has helped clients across industries gain clarity, confidence, and measurable career results.

SPEAKING TOPICS

- Navigating Career Transitions in a Non-Linear World
- Career Pivot Playbook: From Uncertainty to Opportunity
- Agility, Alignment, and Tech Fluency: The Modern Career Toolkit
